

Channel Bollard

SUPPLY BY UAP

The Channel range uses robust 'industrial' materials refined into quality furniture. Every part of every piece of Channel furniture is functional, with careful consideration of proportion and form. The range is characterised by a strong linear element, with benches and seats resting on angled legs, creating the illusion of floating.

Product Code	Description	L (mm)	D (mm)	H (mm)
CHIL04-B-MS-G	Fixed baseplate / mild steel galvanised frame	200	200	910
CHIL04-B-MS-T	Fixed baseplate / mild steel powder coated frame	200	200	910
