

Environ

Seat

SUPPLY BY UAP

Kylie Bickle's Environ range incorporates gentle curves to mimic contours found in nature. Environ is characterised by rounded forms and features a selection of playful 'urban boulders' which serve to integrate the furniture with the surrounding landscape. These boulders also double as sculptural forms which can be climbed over or used as seating.

Product Code	Description	L (mm)	D (mm)	H (mm)
ENV01-A-MS-G-HW	With back and arms / mild steel galvanised frame / hardwood timber slats	1750	608	830
